

# JAIN Academic Bowl 2017

## Moderator Announcements before Match

---

### Welcome to the Jain Academic Bowl.

My name is \_\_\_\_\_. Today's scorekeeper is \_\_\_\_\_, and today's buzzer & timekeeper is \_\_\_\_\_.

We are in room \_\_\_\_\_ (coral, pearl, a1) and

Teams competing are \_\_\_\_\_ v. \_\_\_\_\_.

### To Begin

JAB consists of three rounds –

- Individual,
- Category, and
- Grab bag.

We will decide which team goes first with a \*coin toss\*.

### Then we will begin with Individual Round

This is the individual round, so no buzzers will be used.

10 questions per team and the points will vary depending on the question.

There will not be any penalty for an incorrect response.

### Next, we will have the Category Round.

This round will be competitive i.e. whichever team member rings in first with the buzzer will have to answer the question.

The team will gain 20 points for a correct response or lose 20 points for an incorrect response or no response.

If the buzzing contestant does not answer or answers incorrectly, the second team gets to hear the rest of the question (if it was not read in its entirety) and can then choose to answer by buzzing in.

The second team will gain 10 points for a correct answer, and lose 10 points for an incorrect answer.

The second team will have a choice (by not buzzing) to pass the question without answering for no gain or no loss in points.

### Finally, we will have the Grab Bag Round.

This round will be competitive i.e. whichever team member rings in first with the buzzer will have to answer the question.

They will gain 20 points for a correct answer or lose 10 points for an incorrect answer or no answer.

If buzzing in contestant answers incorrectly or does not answer, the other team gets to hear the rest of the question (if it was not read in its entirety) and can then choose to answer by buzzing in.

The second team will gain 10 points for a correct answer, and lose 5 points for an incorrect answer.

The second team will have an option to pass the question without answering for no gain or no loss in points.

**Before we begin, here are some Ground Rules for the Audience.**

Please ensure all phones are silent or vibrate.

If you need to answer a call, please leave the room before you begin your conversation. In addition, please do not whisper or mouth ANY answers at any time to the contestants.

If an answer is buzzed correctly, please hold applause till the end of that round.

**To the Team Members**

Thank you for participating and good luck on the rest of your matches.

Please go ahead and introduce yourselves and let us know who the team captain and your coach are.

Also, please tap your buzzers before your introduction so we can ensure the buzzers are still in working condition.
